

MINISTRY NEWS

FROM THE FOUNDER

I want to encourage you with great news that ministry in Haiti continues. Pastor Poyis, his staff team, and the children in our Regency and Mercy Homes are doing well. Pastor Poyis' church just celebrated their seven-year anniversary, and we recently had a team of eight high school seniors from Santa Clarita join us. We look forward to more teams joining us this summer and fall. After about two years of unforeseen circumstances preventing teams from traveling, it will be a great encouragement to Poyis and the other pastors to have teams minister with them again.

On his most recent trip, Wiley Kennedy, our Director of International Ministries, was able to spend time with Pastor David. While together, they walked around his local community and distributed food packs. We're very grateful for our partnership with Children's Hunger Fund, which helps make these ministry opportunities happen for our pastors.

One of Pastor David's visits was to a family in his community who does not know Jesus. He shared with them about God's great love for them and generously gave them a food pack that contained a week's-worth of food.

Another pastor that Wiley spent time with was Pastor Michelet. If you follow our social media, you are probably aware of our prayer request for his health. You can read more about his situation [here](#). Please continue to lift him up in prayer.

Thank you for continuing to partner with us in this incredible ministry God has called us to join in.

In His Grip,

Greg Barshaw
