

# MINISTRY NEWS

## FROM THE FOUNDER

Thank you for your prayers. Pastor Poyis and I talk almost daily, and we are both reminded of God's faithful provision through your prayers and support.

I know all of us are feeling the cost at the gas pump these days. In a similar way, Haitians are feeling this every day about their daily needs. Most of them only eat once a day, and even getting access to food for that one meal can be very difficult.

I'm so thankful to let you know that God has provided a container filled with food from Children's Hunger Fund. This food will be used at our ministry compound and our Children's Homes, and the pastors in our Mercy Network will use some of this food as a way to share the gospel in their communities. The container arrived at the compound just a few days ago, where some of our Regency Home boys helped unload.

Please pray with me that the Lord will use this food to open the hearts of people who still do not know Him as Savior.

I'm happy to let you know that the children in our Homes are doing well in school despite ongoing difficulties in the country. We continue to pray that the government will begin functioning again. Without a properly functioning government, we are unable to receive more restaveks. Please pray for those who are still in slavery and that God will fill our Homes with more restavek children.

Thank you again for all the ways you support the ministry. I am grateful for you.

In His Grip,  
Greg Barshaw
