

MINISTRY NEWS

FROM THE FOUNDER

Our team is overwhelmed with the generous support you provided in 2022. Thank you for your steadfast partnership in ministry. Although on many days it would seem as though evil is triumphing in Haiti, I have faith that God is still in sovereign control.

One of our ministry's core values is to be indigenously led, and this is why ministry was able to continue in Haiti in 2022. While many other nonprofit organizations had to leave the country entirely, Pastor Poyis, our staff, and our Mercy Network pastors were able to press on.

The week before Christmas, I spoke with Pastor Poyis over the phone, and he let me know that he was planning a VBS program for the week between Christmas and New Year's Eve. He wasn't planning this just for his church either; he had asked all of our Mercy Network pastors to participate. I was overjoyed when Pastor Poyis told me that each of the ten VBS programs had been executed. The church was full!
