

MINISTRY NEWS

FROM THE FOUNDER

We serve an incredible God, don't we? In July 2021, Haiti's president was assassinated, and since then we have watched Haiti's government and economy completely collapse. You have been praying with us for months that God would intervene and make a way. My friend, your faithful prayers continue to be heard by a sovereign and gracious God.

In the last few weeks, Haiti's condition finally received some attention from the international community. Unfortunately, this came after another gang kidnapping last month—this time of a US citizen from the El Roi ministry compound in the Port-au-Prince area. Alix Dorsainvil and her daughter were released about two weeks later. Please continue to pray with us for Alix, her daughter, their family, and their ministry partners.

Pastor Poyis, my team, and I are making plans for the immense humanitarian needs that will come to light once this multi-national police force steps in. I anticipate that we will begin to see news reports of widespread famine, a cholera epidemic, and abandoned kids

continued

children. Please be praying for wisdom as we prepare these plans and look for opportunities to take teams who will once again help our Haitian pastors share the hope of Jesus Christ. I still believe God will use the suffering in Haiti to open doors for a revival for His Kingdom.

In the meantime, God has continued to provide for and protect Pastor Poyis, our 117 rescued children, Pastor Michelet and his family, and Moto. In his resourcefulness and in true Papa style, Pastor Poyis found a way to provide a pool party for both the Mercy and Regency Homes. I applaud Poyis for the tender care he provides for the children, even in the midst of chaos outside the walls of our Homes.

The Children's Homes participated in a "Bible Tournament," and our kids had fun learning more about God's Word together!

Just last week, Pastor Poyis had the children participate in a "Bible Tournament". They were able to use audio Bibles to do this. I'm so grateful for the way they have been able to make the most of their circumstances.

I cannot thank you enough for standing with us by praying for ministry to flourish in Haiti.

In His Grip,
Greg

MINISTRY NEWS

FROM THE FOUNDER

Your prayers during these last few months of challenging ministry have been so encouraging. I'm grateful to let you know that Pastor Poy's was able to secure a few weeks' worth of food supplies, as well as some water.

Obtaining these supplies is still challenging and likely will be for the foreseeable future. Everything from accessibility and availability to price changes on a day to day basis. Recently, the struggle has been securing charcoal and propane to cook the food. Poy's has been able to find other ways to cook, though. The older children continue to step up and help with things like cooking, cleaning, and caring for their younger siblings.

While the gangs seem to have quieted down in the immediate vicinity of the compound over the last couple weeks, they are still active in the greater Quartier area. Because of
