

MINISTRY NEWS

FROM THE FOUNDER

I am so thankful to know that you stand with us during a time when it is so easy to feel alone. I am reminded of the words of Jesus through the Apostle Paul in Romans 8:35–39—that nothing can separate us from the love of God. He is our ever-present Father who loves us, cares for us, and protects us. There is no power on earth that will harm us, that has not gone through the hands of the Father first. What an amazing truth. Covid-19 has no power over us. Only those of us who have a relationship with God through Jesus can have that confidence.

I am so thankful for Pastor Poyis who continues to shepherd His church, as well as the community and our precious children. Praise God for this amazing shepherd that God has prepared for a time like this.

Connect 2 Ministries is excited to partner with the churches in our network to set up medical clinics, basing the main clinic at our ministry compound in Onaville. The goal of this project is to broaden the input of the church into its community, ultimately leading to opportunities to share the gospel of Jesus Christ.

Each church's medical clinic could easily provide services to treat approximately 120 people for just \$1,000. Based upon the size of the church, this could be a single day or multi-day program. Two generous donors have already stepped forward to provide \$25,000 towards this project as a matching gift opportunity. Each gift given towards this campaign up to \$25,000 in total will be matched. This means we could provide a total of fifty church-based medical clinics, servicing and sharing the gospel with approximately 6,000 people.

Today, your gift of \$100 will provide free medical services for twelve patients through our church network in Haiti. And, don't forget—every gift is being matched, so those efforts are being doubled. Help us reach this goal by May 20! Visit our website to learn more.
