

MINISTRY NEWS

FROM THE FOUNDER

Thank you for your prayers. Each day in Haiti brings new challenges, but we know that each day also brings new reasons to thank the Lord. As we enter the season of Thanksgiving, we are praising the Lord for all the ways He continues to protect and provide for us.

Haiti's place in international politics remains the same. We are still waiting to see the rest of Kenya's troops arrive in-country, and the Multinational Security Service's scope of influence is still unsure as well. Yet, God provides. Our children are safe, and Poyis has been able to keep everyone fed, despite food shortages.

As we thank the Lord for His provision, please continue to pray with us for the Multinational Security Service:

- That ports will be resecured to allow a steady flow of critical supplies to reach those providing humanitarian aid.
- That the highways and other key pieces of the country's infrastructure will quickly be restored to stability.
- That there will be minimal fighting between the gangs and the multinational security force.

Our kids are back in school now as well, which has been a helpful piece of normalcy in an otherwise challenging time. We've been able to get some teachers to facilitate lessons, and we're looking for ways to provide more materials and supplies in-class.

God is in control, and if we've seen anything over the past few months, it's that no gang, or political decision, or societal crisis is too big for Him. Praise the Lord for His faithfulness.

In His Grip,
Greg

WATCH *FOUND* SHORT FILM

[Watch *FOUND*](#)

Our short film, *FOUND*, premiered late in 2023 and is now available for viewing on our website! *FOUND* tells the story of Natascha, a Haitian child who is sold into slavery before ultimately finding a home at the Connect 2 Ministries Children's Homes.

This short film sheds light on the harsh reality faced by countless children who are thrust into slavery, providing a call to action against the injustice of child exploitation. As Christians especially, it is an invitation to put feet to our faith.

MINISTRY NEWS

FROM THE FOUNDER

Thank you for your continued prayers and support during the ongoing crisis in Haiti. You have stood by Pastor Poyis and I during some extremely challenging circumstances, and we are so grateful.

Pastor Poyis and our kids remain well, which is always a praise report considering the proximity of violent gang control. Pastor Poyis has been able to find and purchase food for our kids, even picking up supplies we shipped via our partner, Missionary Flights International. Poyis has also continued to lead daily devotions and provide educational opportunities as he is able. Our kids still put together a Sunday service each week, too.

Poyis has been so faithful to be "Papa" to our kids, and I know he is tired and weary. He could definitely use your encouragement right now. If you would like to participate in a group project to encourage him, please send a note of encouragement to:
