

MINISTRY NEWS

FROM THE FOUNDER

I am encouraged by the Lord's work in Haiti. From a ministry standpoint, one of our top priorities is that our children would thrive, whatever the broader circumstances. The updates I'm sharing today are a testament to that reality. God has certainly kept His hand on us for good.

Many of you will remember Steevenson, who came to our Regency Home in 2018. He was kind of a rebellious kid, but His life was completely transformed when He came to faith in Christ. I've seen him step up as a solid leader, and Poyis relies on him for all kinds of help around the compound. You can read his testimony [here](#) and read an update on God's faithfulness in his life [here](#).

Our second US team of the year just got back from Haiti, and they shared another amazing story about our kids. During the recent storm, we had a minor construction setback. The stream next to the compound flooded, and we ended up with three feet of standing water to drain off. I think it was a bit of a shock for our kids to see. But not thirty minutes later, the team could hear the kids starting their next tasks and singing praise songs while doing it. Praise God for their hope in Him.

I'm excited to see what God has in store for our team trips over the next few months. It's amazing that we're able to go again, and that opportunity is only because of the Lord. Please continue to pray for the UN as they are beginning to send in resources and finalize plans to stabilize the situation in Haiti.

In His Grip,

Greg

FOUND A C2M Short Film

Our short film, FOUND, is available for viewing on our website! FOUND tells the story of Natascha, a Haitian child who is sold into slavery before ultimately finding a home at the Connect 2 Ministries Children's Homes.

This short film sheds light on the harsh reality faced by countless children who are thrust into slavery, providing a call to action against the injustice of child exploitation. As Christians especially, it is an invitation to put feet to our faith.
